Art de la Table

Italians have made an artform of eating. The Italian way of eating takes its time, and is steeped in tradition, embracing the feeling of sharing and gathering, savoring slowly the flavors, and celebrating family. Lingering at the table is as important as the food on the table.

Embracing the Italian culture, paired with our own love of all things culinary and making special memories around the table, we created our Italian collections of Valencia, Sicily, and Palazzo table and glassware.

In keeping with the spirit of mixing highest quality ingredients, thoughtfully chosen spices and flavors to cook the most delicious meal, our collections are designed to mix together with the perfect balance of color and a pleasing finish that will bring Italy to your table.

Valencia

COLLECTION

Our Valencia collection is a vibrant burst of cistrusy tangerine beautifully accented with a soft teal watercolor background.
