LE CADEAUX ART DE LA TABLE
WHEN ORDINARY LIFE BECOMES EXTRAORDINARY LIVING

LE CADEAUX®

Art de la Table

Le Cadeaux was established in 2002 with a strong creative vision, a passion to capture all life's special moments and to turn ordinary events into extraordinary life experiences. With this vision continuing today, Le Cadeaux continues to innovate and inspire with our lifestyle, gift, and home collections.

Our brand portfolio includes shatter resistant fine melamine china with designs inspired by the French and Italian countrysides. With a much heavier than typical melamine weight and specially designed surface treatments, upon first glance our dinnerware is often mistaken for real ceramic. It pairs beautifully with our shatter resistant glassware that does not scratch or become cloudy over time and repeated use. Table art that is beautifully enough to dress the table for any indoor or outdoor gathering, yet offers the practicality of being virtually unbreakable and dishwasher safe. Beyond just dinnerware and serving pieces, our coordinating paper napkins and placemats complete the look of the fashionably dressed table. Le Cadeaux unique and cleverly packaged gift sets make gift giving effortless. Our soaps, hand creams and candles have captivating fragrances with packaging designs inspired by our dinnerware and napkins.

Life is about capturing and enjoying special moments, memorable gathering, and the appreciation of culinary experiences. Le Cadeaux Art De La Table, the enjoyment the art of the fashionably dressed table, the enjoyment of good food and friends, and living life to the fullest...
