

LE CADEAUX

FINE MELAMINE CHINA

LE CADEAUX ART DE LA TABLE

WHEN ORDINARY LIFE BECOMES EXTRAORDINARY LIVING

LE CADEAUX

Le Cadeaux was established in 2002 with a strong creative vision, a passion to capture all life's special moments and to turn ordinary day events into extraordinary life experiences. With this vision continuing today, Le Cadeaux has become the leading innovator in unbreakable, fine melamine china and polycarbonate glassware, with designs inspired by the French and Italian Countryside.

Le Cadeaux is designed with a much heavier than typical melamine weight. Upon first glance, our dinnerware is often mistaken for real ceramic Italian pottery. It pairs beautifully with our polycarbonate glassware that does not scratch or become cloudy over time and use. Table art that is beautiful enough to dress the table for any indoor or outdoor gathering, yet unbreakable and dishwasher safe. With the recent release of our new cleverly packaged gift sets, now you can effortlessly give the gift of Le Cadeaux.

Life is about capturing and enjoying special moments, memorable gatherings, and the appreciation of culinary experiences. Le Cadeaux Art De La Table shares with you the art of a fashionably dressed table, the enjoyment of good food and friends, and living life to the fullest.....
